STAYING GREEN

All Key Center locations and residential facilities have plastic recycle containers that are regularly collected and dumped in the Single Stream Recycling Bins located on the Lecanto Campus by the Chet Cole Life Enrichment Center and at all three Key Thrift Stores. These Single Stream Recycling Bins are regularly collected and dumped in the Single Stream Recycling Bins located on the Lecanto Campus by the Chet Cole Life Enrichment Center and at all three Key Thrift Stores.

The Key Training Center’s recycling program not only promotes sustainability, but also helps the environment and raise funds for the Key Center.

These Single Stream Recycling Bins collect:

- Newspaper, paper bags
- Aluminum, stainless steel, books, catalog, soft cover books
- Junk mail, envelopes of all types
- Paper, cereal boxes, paperback, tissue
e- Milk jugs, detergent, shampoo bottles, narrow-neck plastic bottles, bleach
- Metal cans (aluminum, tin, steel)
- Glass bottles, jars of any color

Dates have been set and plans are in the works for the many activities which combine to make this the most important fundraising effort in support of Citrus County’s Key Training Center. Donations and contributions go directly to bringing services, education, residential options and social programs to more than 300 men and women with developmental disabilities.

Some dates to mark on your calendar are:

July 12: The traditional Reach for the Stars Dinner Auction kick off is slated for Friday, July 12 at the Chet Cole Life Enrichment Center. The tournament began at Lake Henderson as a fundraiser. All who gathered to study the pros needed a fishing tournament, one that made our pledge of continued support to the Key Training Center.

The Key Center and the Inverness Rotary Club are rallying to make this fishing experience a reality. “We couldn’t be more pleased,” said City Manager Frank DiGiovanni. “Inverness needed a fishing tournament, one that everyone can enjoy. This one has all the right ingredients and all the right people in place.”

The Kiwanis of Homosassa has again stepped up to introduce a club that features community outreach, interesting activities, and projects for Key Center clients.

With its mission to provide adults living with disabilities an opportunity to develop initiative, leadership skills and to serve their communities, Aktion is a branch of Kiwanis International. Its core values are character building, caring, leadership and inclusiveness.

Kiwanis of Homosassa has again stepped up to introduce a club that features community outreach, interesting activities, and projects for Key Center clients.

The Key’s AKtion Club members meet twice a month in the Bobby Orvis Building at 7 p.m. On the first Tuesday of the month the club has a regular meeting that will include a speaker or activity. On the third Tuesday of each month the club will play bingo.

The tournament activities will be announced in the upcoming weeks.

“Going to be a family event,” said Doug Lobel, who said that plans are in the works for such things as a youth casting competition in the morning, a business expo-type array of booths and displays to encourage people to come to the park during the waiting hours, and lots of food for all to enjoy. Lobel said that opportunities for actors to take part in the tournament activities will be announced in the upcoming weeks.

Apopka Marine has already grabbed the Title Sponsorship, which insures that collectible t-shirts will commemorate this exciting fishing experience. “We just couldn’t ask for better partners,” said Kiwanis Foundation Director Neal Berman. “This group has made its reputation as being hard working and extremely dedicated to its cause. To have them out there working to help the Key through such a tremendous, upfront event – well, it’s a gift that will be helping many special men and women and their families. We just can’t thank them enough.”
